

Centennial Celebration

Thank you to everyone who came to our Brookside Centennial Christmas!

It was a great time! If there is enough interest, we may do this again next year!

Horse-drawn wagon rides began at 6:30 p.m. at the Community Center at 1720 Brookside Ave. to tour the Christmas lights on the houses in Brookside.

On Saturday, Santa visited from 5:30 to 8:00 p.m. Kids had their picture taken with Santa by the tree.

St. Anthony's was decorated inside and out. Those who made a donation got to ring the steeple bell.

At the Community Center:

- Reine Richardson provided live Christmas music.
- Refreshments were served: hot chocolate, spiced cider, coffee, and baked goods donated by Brookside residents.
- The Christmas Tour of Lights was a fundraiser to renovate St. Anthony's into an Event Center. Also, the Water Operator's Office will be located in the building.

**Thanks for Celebrating with Us! We're so glad you came!
Town of Brookside's Centennial Celebration was a great
success.**
